

FOR PARTNERS AND GRANT MAKERS · KYIV, UKRAINE

Let's open the first care space together

NGO Ridni Poruch (“Family Nearby”) is building a network of free care and active-ageing spaces for people aged 60+ in Ukraine. The first one, “Ridni Poruch · Shevchenkivskiy”, opens in Kyiv; the model is designed to scale to other districts and cities.

THE CHALLENGE

Loneliness and hardship, every day

9M+

Ukrainians aged 60+, 20–25% of the population (Ministry of Social Policy, 2024)

51%

of people aged 70+ live alone (HelpAge International, 2025)

62%

lack income for basic needs (HelpAge International, 2025)

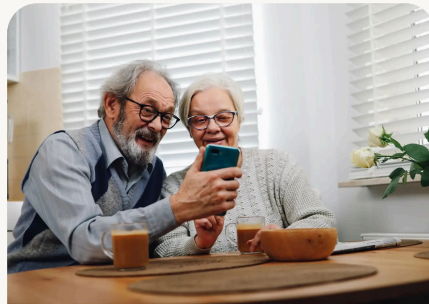

OUR ANSWER

Inside the space, free of charge

Psychological support

Groups with a psychologist, art therapy, peer support

Digital skills

Smartphones, government apps, online doctor booking, scam protection

Community

Lectures, workshops, book and board-game clubs

Hairdresser

Free haircuts every week

Clothing & essentials

Clothing repair, essentials and hygiene corner

Movement

Gentle exercise and adapted yoga

WHAT WE NEED

1 916 000 ₴

opening budget: renovation and step-free access, furniture, a computer class, sewing and hairdressing areas

Premises of 150–300 m², ground floor, separate entrance, Shevchenkivskyi district

In-kind support: laptops, tablets, furniture, renovation

Ongoing support for one programme: psychologist, digital courses, care area

FOR PARTNERS

Transparent from day one

Monthly reports on spending and results

Recognition on the website, social media and in the space (optional)

A confirmation letter for your accounting

A role in a model that can scale across Ukraine
